3. Answer the four (4) Member Education questions if asked. Don’t worry if you get any wrong. This does not impact whether you successfully sign the waiver or not and is not attached to your member account. It helps USRowing focus on education programs that are needed by the membership.

Once viewed, click on the three (3) checkboxes and click on the “Submit” button.
6. **Complete the process!** If you are renewing your membership or joining for the first time, you’ll advance to the payment screen.
